

Stater Bros. charity tourney

Stater Bros. Markets is establishing Stater Bros. Charities, a nonprofit that will support other nonprofits in communities where Stater Bros. has grocery stores.

For its first major fundraiser, Chairman and CEO Jack Brown and PGA Champions Tour pro Dave Stockton will partner to launch one of the largest-ever charity golf tournaments in the Inland Empire.

Named "Stater Bros. Presents Dave Stockton's Heroes With Hearts Challenge," the tournament will take place March 3 at the Redlands Country Club. The tournament will include several of Stockton's PGA Tour friends and will benefit four Inland Empire charities: Candlelighters Childhood Cancer Foundation of the Inland Empire, VA Loma Linda Healthcare System, Operation SafeHouse and The Unforgettables Foundation.
